5. Press the Register button for any team you wish to register for MSPSP. You will be re-directed (new tab) to a Team Application asking for specific information for that individual team (**NOTE:** This process asks specific information about teams and their playing history. The process can be passed along to the individual teams - see below).
6. Fill out all required fields until you reach the confirmation page.
7. Repeat steps 3-5 for each team you have in MSPSP.

Clubs can also have individual teams (coaches or managers) enroll into the MSPSP event by distributing the below link and using the team account login. It is important that the information entered is 100% accurate and the correct payment option is selected. Because of this, MSPSP recommends club administrators / registrars handle registration using the above club-enrollment method.
