

Request For Early Passcards and Team Roster

If you require early passcards or an official roster for a tournament - please complete this form and either submit payment online, or attach a check for \$50.00 made payable to the **MSPSP**. This form is to be completed for every team requiring early passcards.

Early Passcard requests can now be facilitated at any time prior to regular passcard distribution, but will take a few days to a week for MSPSP to verify, register, and provide the official roster and passcards. Contact MSPSP for details.

Any passcards needed prior to passcard distribution will need to proceed via Early Passcards.
